TO BE COMPLETED BY INVESTIGATOR			
The following information concerning, who is			
participating as a clinical investigator in the study:			
is submitted in accordance with 21 CFR part 54. Indicate by marking YES or NO if any of the financial interests or arrangements as described below apply to you, your spouse, or dependent children cumulatively. If the information changes during the course of the study or within one year after completion of the study, please notify NCI, DCP.			
completion of the electry freeze nearly free, 2011			
YES	NO		
		Any financial arrangement entered into between the sponsor of the covered study and the clinical investigator involved in the conduct of the covered study, whereby the value of the compensation to the clinical investigator for conducting the study could be influenced by the outcome of the study (For example, compensation that is explicitly greater for a favorable outcome, or compensation to the investigator in the form of an equity interest in the sponsor or in the form of compensation tied to sales of the product, such as a royalty interest.) If yes, please attach details on a separate sheet.	
		Any significant payments of other sorts made on or after February 2, 1999, from the sponsor of the covered study, excluding the costs of conducting this or any other clinical studies. This could include payments made to the investigator or institution to support activities that have a cumulative monetary value greater than \$25,000 (<i>i.e.</i> , a grant to fund ongoing research, compensation in the form of equipment, retainer for ongoing consultation, or honoraria). If yes, please attach details on a separate sheet.	
		Any proprietary or financial interest in the product tested in the covered study such as a patent, trademark, copyright, or licensing agreement. If yes, please attach details on a separate sheet.	
		Any significant equity interest in the sponsor, defined in 21 CFR 54.2(b), as any ownership interest, stock options, or other financial interest whose value cannot be readily determined through reference to public prices (generally, interests in a nonpublicly traded corporation), or any equity interest in a publicly traded corporation that exceeds \$50,000 during the time the clinical investigator is carrying out the study and for one year following completion of the study	
OR	OR		
Details of the individual's disclosable financial arrangements and interests are attached, along with a description of steps taken to minimize the potential bias of clinical study results by any of the disclosed arrangements or interests.
